Re: Minnesota Public Radio (FRN 0002-6425-10)
KCCD, Moorhead, MN (Facility ID No. 42951)
Notice of temporary reduction of operations

Dear Ms Dortch:

Earlier this month Minnesota Public Radio ("MPR"), licensee of KCCD-FM, Moorhead, MN, informed the Commission that MPR had been temporarily been operating KCCD-FM at reduced power for more than ten days due to icing of the antenna. A copy of that letter is attached to this letter.

KCCD-FM is now back up to full power.

An Anti-Drug Abuse Act certification form is attached. MPR is a noncommercial educational licensee, therefore, no fee is required for this filing.

Sincerely,

Mitzi T Gramling
Associate General Counsel

Re: Minnesota Public Radio (FRN 0002-6425-10)
KCCD, Moorhead, MN (Facility ID No. 42951)
Notice of temporary reduction of operations

Dear Ms Dortch:

In accordance with 47 CFR 73.561 (d), Minnesota Public Radio ("MPR"), licensee of KCCD-FM, Moorhead, MN, hereby informs the Commission that MPR has temporarily been operating KCCD-FM at reduced power since November 29, 2005 due to icing of the antenna. MPR is currently operating the facility at 24% of authorized power. We will be able to operate back at full power once the weather warms sufficiently for the ice to melt. It is unusual for a cold snap of this nature to last this long and we hope there is a warm-up soon.

An Anti-Drug Abuse Act certification form is attached. MPR is a noncommercial educational licensee, therefore, no fee is required for this filing.

Sincerely,

Mitzi T Gramling
Associate General Counsel
