Re: Minnesota Public Radio (FRN 0002-6425-10)
 KCCM, Moorhead, MN (Facility ID No. 42926)
 Notice of temporary reduction of operations

Dear Ms Dortch:

In accordance with 47 CFR 73.561 (d), Minnesota Public Radio ("MPR"), licensee of KCCM-FM, Moorhead, MN, hereby informs the Commission that MPR has temporarily been operating KCCM-FM at reduced power since November 29, 2005 due to icing of the antenna. MPR is currently operating the facility at 80% of authorized power. We will be able to operate back at full power once the weather warms sufficiently for the ice to melt. It is unusual for a cold snap of this nature to last this long and we hope there is a warm-up soon.

An Anti-Drug Abuse Act certification form is attached. MPR is a noncommercial educational licensee, therefore, no fee is required for this filing.

Sincerely,

Mitzi T Gramling
 Associate General Counsel

Exhibit

Anti-Drug Abuse Act Certification

The applicant certifies that, in the case of an individual applicant, he or she is not subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. §853a, or, in the case of a non-individual applicant (eg corporation, partnership or other unincorporated association), no party to the application is subject to a denial of federal benefits pursuant to that section. For the definition of a "party" for these purposes, see 47 C.F.R. §1.2002 (b).
