Office of the Secretary

Dear Ms Dortch:

In accordance with 47 CFR 73.561 (d), Minnesota Public Radio ("MPR"), licensee of KCCM-FM, Moorhead, MN, hereby informs the Commission that KCCM went off the air on August 14, 2009 and is expected to either be off the air or operating at a very reduced power for at least a few weeks. Storm damage caused damage to the antenna system.

MPR intends to install a temporary antenna as soon as possible, but anticipates the station to be operating at less than 10% of its authorized power once the temporary antenna is installed. All reasonable efforts will be made to replace the damaged equipment and get the station back up to its authorized power as soon as possible once the full extent of the damage is determined and new equipment can be ordered and placed on the tower.

An Anti-Drug Abuse Act certification form is attached. MPR is a noncommercial educational licensee, therefore, no fee is required for this filing.

Sincerely,

Mitzi T Gramling
