Re: Minnesota Public Radio (FRN 0002-6425-10)
KRSU-FM, Appleton, MN (Facility ID No. 42967)
Notice of temporary reduction of operations

Dear Ms Dortch:

In accordance with 47 CFR 73.561 (d), Minnesota Public Radio ("MPR"), licensee of KRSU-FM, Appleton, MN, hereby informs the Commission that KRSU went off the air on August 14, 2009 and is now operating at 5% of its authorized power. We expect KRSU either be off the air or operating at a very reduced power for at least a few weeks. Storm damage caused damage to the antenna system.

All reasonable efforts will be made to replace the damaged equipment and get the station back up to its authorized power as soon as possible once the full extent of the damage is determined and new equipment can be ordered and placed on the tower.

An Anti-Drug Abuse Act certification form is attached. MPR is a noncommercial educational licensee, therefore, no fee is required for this filing.

Sincerely,

Mitzi T Gramling
Associate General Counsel
