Re: Minnesota Public Radio (FRN 0002-6425-10)
K222BA, Blue Earth, MN (Facility ID No. 141797)
Notice of Change to Call Sign of Primary Station

Dear Ms Dortch:

The purpose of this letter is to notify the Commission of a change to the call sign of the primary station of the above referenced translator.

Minnesota Public Radio ("MPR"), a noncommercial educational broadcaster, is the licensee of FM translator, K222BA, Blue Earth, MN. The primary station of this facility has been KGAC (FM), St Peter, MN on channel 213. Today the call sign of KGAC (FM) changed to KNGA (FM), St Peter, MN.

Thus, the primary station of K222BA, Blue Earth, MN is now KNGA (FM), St Peter, MN, on channel 213.

MPR is the licensee of both KNGA and KGAC and operates the stations on a non-commercial basis.

Please contact this office or our outside counsel, Todd Stansbury, at Wiley Rein (202) 719-7000 if there are any questions.

Sincerely,

Mitzi T Gramling
Associate General Counsel
