Re: Minnesota Public Radio (FRN 0002-6425-10)
KNSE (FM), Austin, MN (Facility ID 90889)
Correction to License

Dear Ms Dortch:

Minnesota Public Radio ("MPR") received a license for its new noncommercial educational station KNSE (FM) in Austin, Minnesota, on January 21, 2004. There is one small error in the license, specifically: Special operating condition #2 states that the facility will be a satellite operation of "KNOW (FM), Rochester, MN." The correct community of license for KNOW is in fact Minneapolis-St. Paul, MN.

MPR respectfully requests that the license be corrected accordingly.

Please stamp and return the enclosed duplicate designated for that purpose. Should there be any questions concerning this filing, please contact the undersigned at 651-290-1259 or our outside counsel, Todd Stansbury of Wiley Rein & Fielding, at 202-719-4948.

Sincerely,

Mitzi T Gramling
Associate General Counsel
