Dear Ms Dortch:

Minnesota Public Radio ("MPR"), licensee of K280EB, Albert Lea, MN, hereby requests Special Temporary Authority pursuant to 47 CFR 73.1635 to be off the air temporarily. The transmit site for the facility is on the roof of an older building that is being extensively rehabbed. During the course of the rehab, our landlord apparently removed and threw away the facility's receive antenna. Although we learned of this only yesterday, apparently the receive antenna was removed awhile ago. We suspect the facility has been off the air for more than thirty (30) days based on what we have now learned from our landlord.

MPR is now attempting to locate a replacement receive antenna. We hope to have the facility back on the air in a few weeks.

An Anti-Drug Abuse Act certification form is attached. MPR is a noncommercial educational licensee, therefore, no fee is required for this filing.

Please contact this office or our outside counsel, Todd Stansbury at Wiley Rein & Fielding (202) 719-7000, if there are any questions.

Sincerely,

  
Mitzi T Gramling  
Associate General Counsel
