Re: Minnesota Public Radio (FRN 0002-6425-10)
KNSR-FM, Collegeville, MN (Facility ID No. 42938)
Notice of operations at reduced power

Dear Ms Dortch:

In accordance with 47 CFR 73.561 (d), Minnesota Public Radio ("MPR"), licensee of KNSR, Collegeville, MN, hereby notifies the Commission that KNSR has been operating at approximately 60% of its authorized power since April 13, 2010.

KNSR's intermediate power amplifier had to be removed for repair, thereby causing the station to be operated at less than its authorized power. MPR is working diligently to make the needed repairs and replacement as quickly as possible and hopes to have the station back up to full power soon.

MPR is a noncommercial educational licensee, therefore, no fee is required for this filing.

Sincerely,
