Re: Minnesota Public Radio (FRN 0002-6425-10)  
K206EF, Montevideo, MN (Facility ID No. 148965)  
Notice of Change to Call Sign of Primary Station

Dear Ms Dortch:

The purpose of this letter is to notify the Commission of a change to the call sign of the primary station of the above referenced translator.

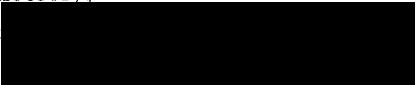

Minnesota Public Radio ("MPR"), a noncommercial educational broadcaster, is the licensee of FM translator K206EF, Montevideo, MN. The primary station of this facility has been KNCM (FM), Appleton, MN on channel 203. Today the call sign of KNCM (FM) changed to KRSU (FM), Appleton, MN.

Thus, the primary station of K206EF is now KRSU (FM), Appleton, MN, on channel 203.

MPR is the licensee of both KNCM and KRSU and operates the stations on a non-commercial basis.

Please contact this office or our outside counsel, Todd Stansbury, at Wiley Rein (202) 719-7000 if there are any questions.

Sincerely,

  
Mitzi T Gramling  
Associate General Counsel
