Re: Minnesota Public Radio (FRN 0002-6425-10)
W215AI, Roseau MN (Facility ID No. 42942)
Surrender of Construction Permit BPFT-20090428AAM

Dear Ms Dortch:

On April 29, 2009 the Commission granted FM Broadcast Translator/Booster Station Construction Permit BPFT-20090428AAM to Minnesota Public Radio (MPR), the licensee of W215AI. The Construction Permit allowed MPR to upgrade the facilities of W215AI.

The purpose of this letter is to surrender Construction Permit BPFT-20090428AAM. MPR has decided to not build out the station in accordance with the Construction Permit.

W215AI has been operating in full conformance of its license and will continue to operate in full conformance of its license.

Sincerely,

Mitzi T Gramling
Associate General Counsel
