Notice of operations at reduced power

Dear Ms Dortch:

In accordance with 47 CFR 73.561 (d), Minnesota Public Radio ("MPR"), licensee of WGGL-FM, Houghton, MI, hereby notifies the Commission that WGGL-FM has been operating at approximately 15% of its authorized power since January 1, 2014.

WGGL-FM is operating at 15% power due to a main transmitter failure. MPR will try and effect repairs as soon as possible but is hampered by extreme cold and snow.

MPR is a noncommercial educational licensee; therefore, no fee is required for this filing.

Sincerely,

Mitzi T Gramling
